

Working Holiday Scheme Work Visa Application

for a temporary stay in New Zealand

Who should use this form?

Use this form to apply for a work visa under any working holiday scheme except the following:

- Argentina Working Holiday Scheme
- Chile Working Holiday Scheme
- China Working Holiday Scheme
- Taiwan Working Holiday Scheme
- Uruguay Working Holiday Scheme.

If you are applying under one of the schemes listed above you must apply using the online system at www.immigration.govt.nz/whs.

See www.immigration.govt.nz/whs for a list of working holiday schemes, the specific requirements for each scheme, and the documents and fees you must provide. You may be able to apply online.

We will process your application only when we receive all the information and documents we need. If you do not send all the required information, we may return your application.

Some working holiday schemes have an annual opening date and a limited number of places available. If your application is received before a scheme's opening date, or if all the places have been filled, your application will be returned. For this reason, we encourage you to apply online where possible at www.immigration.govt.nz/whs.

No person who holds a temporary visa (including a work visa) in New Zealand may provide commercial sexual services, or operate or invest in a business which provides commercial sexual services.

VisaView

It is an offence to employ a person who is not entitled to work in New Zealand. One way for employers to avoid committing this offence is to check a person's entitlement to work with Immigration New Zealand's online VisaView system. Disclosure of information through VisaView is authorised by legislation.

If you believe that an employer has been given the wrong entitlement information via VisaView you may contact the Immigration Contact Centre (0508 558 855) to request correction of that information.

Health requirements

If you intend to be in New Zealand for more than 12 months you must complete a *General Medical Certificate (INZ 1007)* and *Chest X-Ray Certificate (INZ 1096)* and provide these with your application.

If you intend to be in New Zealand for more than six months but not longer than 12 months, you must provide a completed *Chest X-Ray Certificate (INZ 1096)* with your application if you:

- are from a place that is not listed as a low incidence tuberculosis (TB) country, area, or territory, or
- have spent more than a total of three months in the past five years in a country, area, or territory not listed as a low incidence TB country, area or territory, or
- have spent six consecutive months in a place that is not listed as a low incidence TB country since any previous chest X-ray certificate was issued and submitted to Immigration New Zealand.

See the leaflet *Health Requirements (INZ 1121)* for more information and the list of low incidence TB countries, areas, and territories.

If you seek health care when in New Zealand you should carry your passport so that health providers can check whether you are eligible for publicly-funded health care.
